Section 2. Sections 17.32.026, 17.32.093 and 17.32.094 of Chapter 17.32 of Title 17 of the Ordinance Code are amended as follows:
17.32.026 Section 109.4 amended – Violation penalties.
Section 109.4 of DIVISION II ADMINISTRATION of the Kern County Fire Code is amended to read as follows:

109.4 Violation penalties.

A. Except as provided herein, any person who shall violate a provision of this Code or who shall fail to comply with any of the requirements thereof or fail to comply with any order made thereunder by competent authority, or who shall erect, install, alter, repair or do work which deviates from any specifications or plans submitted to and approved by the fire marshal, or of a permit or certificate issued under provisions of this Code shall for each and every such violation or failure to comply be guilty of a misdemeanor and shall, upon conviction, be subject to a fine of not more than $500, or by imprisonment in the county jail of the County of Kern for not more than six (6) months, or both such fine and imprisonment.

B. Any person who violates section 17.32.093 or 17.32.027 of this Code shall be assessed an administrative penalty. An administrative penalty under this paragraph shall be a fine not exceeding one thousand five hundred dollars ($1,500.00) for the first violation; a fine not exceeding two thousand dollars ($2,000.00) for a second violation within five years from the date of the first violation; and a fine not exceeding two thousand five hundred dollars ($2,500.00) for each additional violation within five years from the date of the first violation. Pursuant to California Health and Safety Code section 12557, an administrative fine for possession, pursuant to this paragraph, shall only be assessed to a person who possesses or the seizure of twenty-five (25) pounds or less of dangerous fireworks.

C. The administrative penalty for any violation of any other section of this Code shall be as provided in Kern County Ordinance Code Section 8.54.120.

D. Any administrative penalty collected pursuant to this Code shall not be subject to California Health and Safety Code section 12706, but shall be used to reimburse the Office of the State Fire Marshal for the actual cost of the transportation and disposal of illegal fireworks seized under this Code.

E. All enforcement of administrative penalties shall be conducted pursuant to Chapter 8.54 of the Kern County Ordinance Code.

F. Notwithstanding any other provision in this Code, an alternative administrative penalty may be assessed for violation of sections 17.32.093 and 17.32.027 of this Code in the event the responsible party is a juvenile, i.e. under the age of eighteen (18), whereby the juvenile may elect to serve in a community service program, as approved by the County’s program
administrator or as designated by the Board of Supervisors, and pay any required program fees.

1) Participation in an approved community service program, through election by the juvenile, will result in a reduction of the administrative penalty of one thousand five hundred dollars ($1,500.00), commensurate with the hours served based on the current minimum wage applicable in California. The approved community service hours shall be determined, as appropriate, depending on the amount the administrative penalty is reduced by the hearing officer or the Board of Supervisors.

2) The community service program shall retain the discretion to admit, or deny admission to, the program as the standards and program policies applicable to that program allow. Failure to gain admission to a community service program shall restore the original administrative penalty of one thousand five hundred dollars ($1,500.00), immediately and without further right to appeal.

3) Failure by a juvenile to complete the alternative community service penalty within one (1) calendar year of the issuance of the citation shall result in the penalty being converted to an administrative penalty of one thousand five hundred dollars ($1,500.00).

4) The option of a juvenile to complete community service for a reduction of the administrative penalty shall not be available for subsequent violations of these sections of this Code.

5) If a citation issued to a juvenile under this section is appealed under any provision of this Code, the administrative penalty shall be deposited with the County as a condition of the appeal. If the appeal is not successful and the juvenile elects to complete an approved community service program in lieu of payment of the administrative penalty, the person that deposited the administrative penalty shall be entitled to a refund of the deposit less actual administrative fees paid by the County to the County's program administrator upon timely and successful completion of the community service program by the juvenile.

G. A conviction for any offense under the provisions of this Code shall not excuse the violation or authorize its continuance and the person or persons convicted of such offense shall be required to correct or remedy any condition or installation which fails to comply with the requirements of this Code with reasonable diligence. Each day that a condition prohibited by the provisions of this Code is caused or permitted to be maintained or continued shall constitute a separate and distinct offense.

Section 3. Section 17.32.027 of Chapter 17.32 of Title 17 of the Ordinance Code is added as follows:

17.32.027 Social Host Liability – Fireworks

A. Findings, intent and purpose:

1) Findings. The Board of Supervisors, pursuant to the police powers delegated to it by the California Constitution, has the authority to enact laws which promote the public health, safety and general welfare of its residents. The illegal possession, manufacture, storage, sale, handling and use of fireworks, as described in section 17.32.093 of this Code, on private property is harmful to and creates a threat to public health, safety, quiet enjoyment of residential property and the general welfare. While the discharge of illegal fireworks can be tied to a particular residence or property, it is often difficult to tell who at the residence or property discharged the illegal firework(s). The owner or tenant of the premises is often in the best position to control, and knows or should know of the possession, manufacture, storage, sale, handling and use of illegal fireworks on his/her residence or commercial premises. The Board of Supervisors finds that in too many cases, persons having possession or control of private property where the illegal possession, manufacture, storage, sale, handling and use of fireworks occurs, have failed to ensure that illegal fireworks are not possessed, manufactured, stored, sold, handled or used on their property. Furthermore, problems associated with the illegal possession, manufacture, storage, sale, handling and use of fireworks are difficult to prevent.
and deter unless the Fire Chief, Sheriff, or other designated official of the County of Kern has the legal authority to cite the owner or tenant of the premises where illegal fireworks are possessed, manufactured, stored, sold, handled or used.

2) Intent. The intent of this section is to protect the public health, safety, quiet enjoyment of residential property, and general welfare, rather than to punish. An ordinance that imposes liability on property owners or tenants for allowing the possession, manufacture, storage, sale, handling or use of illegal fireworks on their property is necessary to deter and prevent such possession, manufacture, storage, sale, handling or use and to deter persons who actively and passively aid, allow, or tolerate such activities on their property.

3) Purposes. The purposes of this section are to protect the public health, safety and general welfare, to deter the possession, manufacture, storage, sale, handling or use of illegal fireworks, and to reduce the costs of providing police, fire, and other emergency response services to areas where illegal fireworks are being possessed, manufactured, stored, sold, handled or used. These purposes are implemented by the imposition of a civil money penalty against social hosts (landowners or tenants) who actively or passively aid, allow or tolerate the possession, manufacture, storage, sale, handling or use of illegal fireworks on their property.

4) Declaration. For these reasons, the Board of Supervisors declares that the possession, manufacture, storage, sale, handling or use of illegal fireworks is a threat to the peace, health, safety and general welfare of the public. Such actions constitute a public nuisance as they affect at the same time the entire community of Kern County as well as the neighborhoods in which they occur. The nuisance created thereby presents an immediate threat to the public health and safety, warranting summary abatement by the Fire Chief, Sheriff or other designated County official under Government Code Section 25845, subdivision (a).

B. Definitions. For the purposes of this section, the following terms shall have the following meanings:

1) "Responsible person" means a person or persons with a right of possession of the residence or other private property at which illegal fireworks are possessed, manufactured, stored, sold, handled or used, including but not limited to:
   a) Any owner of the residence or other private property, meaning the record owner of the title to property as of the time of the possession, manufacture, storage, sale, handling or use of illegal fireworks, wherever that person or entity resides at that time;
   b) A tenant or lessee of the residence or other private property at the time when illegal fireworks are possessed, manufactured, stored, sold, handled or used;
c) The person(s) in charge of the residence or other private property at the time when illegal fireworks are possessed, manufactured, stored, sold, handled or used;

d) The person(s) who organizes, supervises, officiates, conducts or controls the gathering or any other person(s) accepting responsibility for such a gathering where illegal fireworks are possessed, manufactured, stored, sold, handled or used;

A responsible person need not be present at the time illegal fireworks are possessed, manufactured, stored, sold, handled or used in order for the County to impose civil money penalties upon such responsible person. Prior knowledge of the possession, use, manufacture, storage, sale, handling or use of illegal fireworks is not pre-requisite to a finding that any specific individual is a responsible person as defined by this section.

2) "Residence" or "other private property" means a home, yard, apartment, condominium, hotel or motel room, or other dwelling unit, or a hall, meeting room, office, land or building, whether occupied on a temporary or permanent basis, whether occupied as a dwelling, business, or location for parties or other social functions, and whether owned, leased, rented, or used with or without compensation.

C. Responsibility for proper property management. Every owner, occupant, lessee, tenant or holder of any possessory interest of a residence or other private property within the County of Kern is required to maintain, manage and supervise the property and all persons thereon in a manner so as not to violate the provisions of this section. The owner of the property may remain liable for such violations regardless of any contract or agreement with any third party regarding the property.

D. Penalties for violation.

1) It is a civil violation of this section, and a public nuisance constituting an immediate threat to public health and safety warranting summary abatement, for any responsible person to conduct or allow illegal possession, manufacture, storage, sale, handling and use of fireworks on his/her residential or other private property. Such a violation subjects any and all responsible persons to the civil money penalties specified in section 17.32.026, paragraph B of this Code.

2) In the event that a juvenile hosts a gathering at a residence or other private property at which illegal possession, manufacture, storage, sale, handling and use of fireworks occurs, then the parents or guardians of that juvenile will be jointly and severally liable for any penalties incurred pursuant to this section.
3) In the event that a juvenile is found to be a responsible person as defined by this section, the juvenile may elect to serve in a community service program as specified in section 17.32.026 of this Code.

4) The parents or guardians of a juvenile found to be a responsible person as defined by this section, may also elect to have that juvenile serve in a community service program as specified in section 17.32.026 of this Code.
