REQUEST FOR FIRE HAZARD REDUCTION CITATION REVIEW

This Request for Review must be filled out completely and returned within 15 calendar days of the citation mailing date.

- If you are mailing this request, you must enclose pictures of the property that received the citation. These pictures must show the property address and other pertinent shots of the property that confirm either that this is not your property or that all violations have been corrected. Please be sure the pictures clearly show the issue in question. If possible, time stamped photos are helpful.
- You can mail this request to the above address or submit this form via email. If sending via email, please be sure to attach all relevant pictures, and email it to hazardreduction@kerncountyfire.org
